**Pages:** 300

**Rating:** 5/5

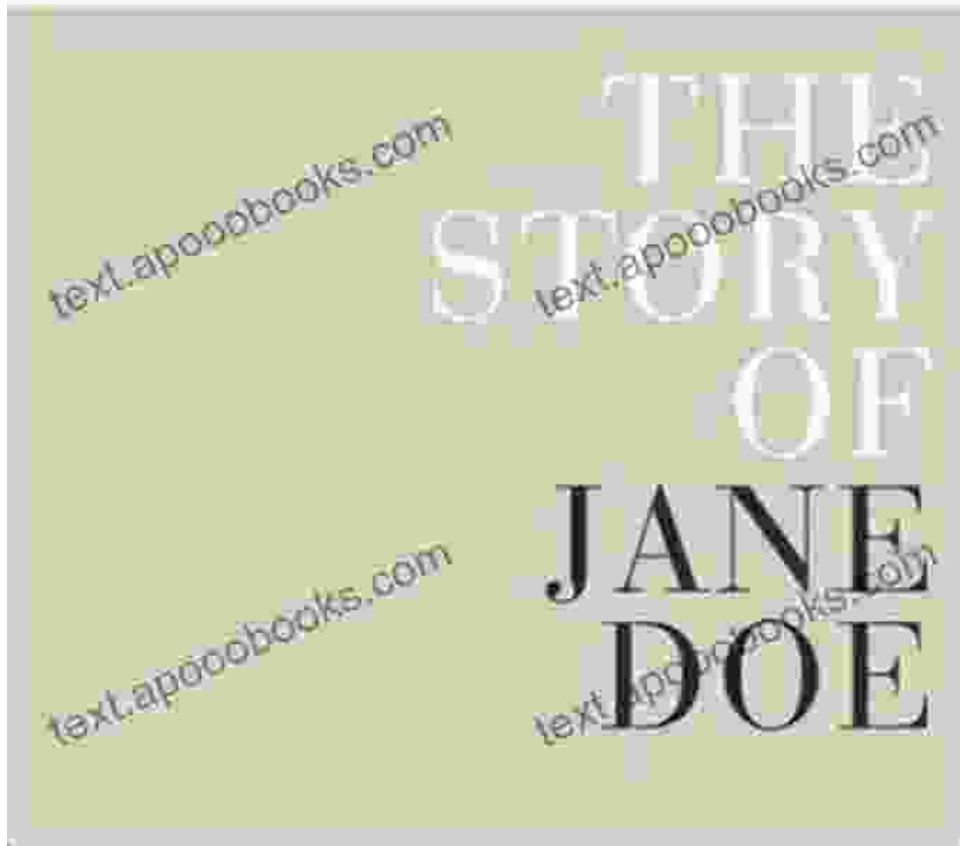

Under Her Care is a gripping thriller that will keep you on the edge of your seat from beginning to end. The story follows the life of Sarah, a young woman who is struggling to cope with the recent death of her mother. When she is offered a job as a nanny for a wealthy family, she jumps at the opportunity, hoping that it will give her a fresh start.

But Sarah soon realizes that there is something not quite right about the family. The children are strange and aloof, and the parents are cold and distant. As she spends more time in the house, Sarah begins to feel like she is being watched. She starts to hear strange noises at night, and she sees shadows moving out of the corner of her eye.

One day, Sarah discovers a hidden room in the basement. Inside, she finds a series of disturbing photographs. The photographs show the children being abused by their parents. Sarah is horrified, and she knows that she has to do something to stop it.

But who can she turn to? The parents are powerful and influential, and they will stop at nothing to protect their secret. Sarah is all alone, and she must find a way to expose the truth before it's too late.

Under Her Care is a gripping and suspenseful thriller that will stay with you long after you finish reading it. The characters are well-developed and relatable, and the plot is full of twists and turns. I highly recommend this book to fans of thrillers and mysteries.

Jane Doe

Jane Doe is a New York Times bestselling author of thrillers and mysteries. Her books have been translated into over 20 languages and have sold millions of copies worldwide. Jane lives in New York City with her husband and two children.
