

Case Study Analysis: Sport in the Global Society - Historical Perspectives

Sport has played a significant role in shaping global society throughout history. From the ancient Olympic Games to the modern-day World Cup, sport has served as a platform for social, political, and economic change. This book provides an in-depth analysis of the historical and contemporary role of sport in shaping global society, with a focus on case studies from different regions and time periods.

Drawing on a multidisciplinary approach, the book explores the complex interplay between sport, politics, economics, and culture. It examines how sport has been used as a tool for social change, economic development, and promoting international understanding. The book also investigates the challenges and controversies associated with sport, such as doping, corruption, and commercialization.

The History of Motor Sport: A Case Study Analysis (Sport in the Global Society - Historical Perspectives)
