

Dying For Living: A Call to Radical Discipleship

In a world that is increasingly obsessed with self-preservation and personal comfort, it can be difficult to imagine what it would mean to truly live. But in his book *Dying For Living: A Call to Radical Discipleship*, Kory Shrum argues that the only way to experience true life is to die to ourselves.

Shrum begins by exploring the biblical concept of death. He shows that death is not simply the opposite of life, but rather a necessary part of it. In fact, Jesus himself said that "unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it bears much fruit" (John 12:24). This passage, Shrum argues, teaches us that true life comes through death.
