The German Shorthaired Pointer is a versatile and energetic breed that makes an excellent companion for active families. This book covers everything you need to know about the German Shorthaired Pointer, from its history and temperament to its care and training.

## History of the German Shorthaired Pointer

The German Shorthaired Pointer was developed in the 19th century by German hunters who wanted a versatile dog that could hunt both upland game and waterfowl. The breed was created by crossing the German Pointer with the English Pointer and the English Foxhound. The result was a dog that was intelligent, trainable, and athletic, with a strong hunting instinct.
