This course is designed for people who have never played a musical instrument before. It starts with the basics, such as how to hold the saxophone and how to produce a sound. As you progress through the course, you will learn how to play simple melodies, scales, and chords.

The course is taught by a professional saxophone player with over 20 years of experience. He will guide you through each lesson, step-by-step.

You will also have access to a free online forum where you can ask questions and get help from other students.

So what are you waiting for? Sign up for the free video course today and start learning how to play the saxophone!

## **What You Will Learn**

By the end of this course, you will be able to:

- Hold the saxophone correctly
- Produce a clear and consistent sound
- Play simple melodies, scales, and chords
- Read basic sheet music
- Play along with other musicians

## **Who This Course Is For**

This course is for anyone who has always wanted to learn how to play the saxophone. No prior musical experience is necessary. If you are willing to put in the time and effort, you can learn how to play this beautiful instrument.

## **What You Need**

To take this course, you will need:

- A saxophone
- A few reeds

- A metronome (optional)
- Access to the internet

## Sign Up Today

Click the button below to sign up for the free video course today. You will be taken to a page where you can enter your name and email address. Once you have signed up, you will be given access to the course materials.

## Sign Up For Free

We hope you enjoy this course and that it helps you to achieve your musical goals.

Sincerely,

The Progressive Beginner Team
