### What is a harmonica?

The harmonica is a free-reed wind instrument that is played by blowing or drawing air through it. It is a relatively simple instrument to learn to play, and it can be used to create a wide variety of sounds, from bluesy melodies to jazzy riffs.

### How to hold a harmonica

To hold a harmonica, place the mouthpiece between your lips and your teeth. The top of the harmonica should be resting on your upper lip, and the bottom should be resting on your lower lip. Your left hand should be placed below the harmonica, with your thumb on the bottom and your fingers on the top. Your right hand should be placed above the harmonica, with your thumb on the top and your fingers on the bottom.
