Once upon a time, in a meadow far away, there lived a beautiful butterfly and a carefree grasshopper. The butterfly spent her days flitting from flower to flower, sipping nectar and enjoying the sunshine. The grasshopper, on the other hand, spent his days hopping around the meadow, singing and dancing.

As summer turned to autumn, the butterfly began to prepare for the winter. She gathered leaves and built a cozy nest in a sheltered spot. The grasshopper, however, continued to play and sing, ignoring the changing seasons.
