Place the working yarn in front of the peg, above the loop on the peg. Insert the knit hook under the loop on the peg from the bottom up.

Reach up to catch the working yarn with the hook. Pull the working yarn down through the loop on the peg, forming a new loop.

Pull the loop that is still on the peg up and off the peg.

Place the new loop that is on the hook onto the peg. Gently pull on the working yarn to tighten the stitch.
