Reorganising Motifs into a New Arrangement
Hexagons from Trefoils & Quatrefoils

I used the Grid and Bezier tool to draw 'guide lines' - another hack

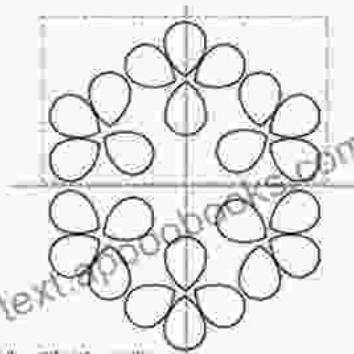

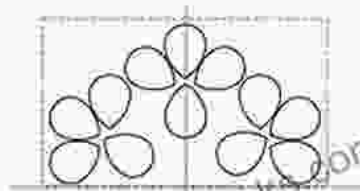

Trefoils arranged into a hexagon, using a rosette in center to align the guide lines into 6 spokes and move each trefoil into place.

Converting design into a tatted pattern with addition of chains and picots. The same process works for chains and picots, too

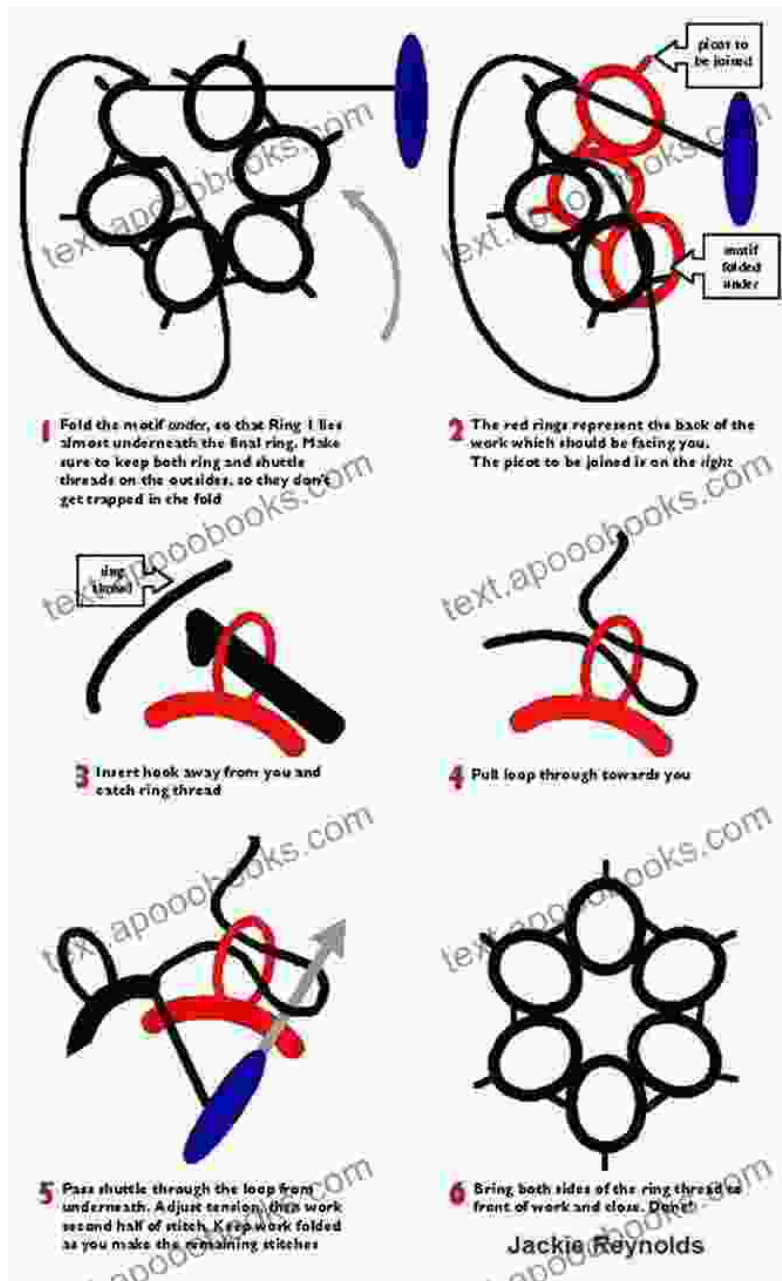

Alternate Method with fewer steps

Instead of arranging all 6 quatrefoil motifs into position, use only 2 perpendicular guide lines & arrange 3 motifs. Group these, flip vertically, and position below.

Chapter 4: Advanced Techniques for Troubleshooting and Embellishment

Expand your tatted repertoire with advanced techniques that elevate your creations. Learn to troubleshoot common mistakes, master intricate stitches, and discover the art of embellishing your tatted pieces with beads, sequins, and other decorative elements.

Enhance your tatting skills with advanced techniques and embellishments.
