Meet Alex McKenna

Step into the shoes of Alex McKenna, a brilliant and enigmatic botanist whose world is turned upside down when she becomes entangled in a series of mysterious deaths. As a renowned expert in the language of flowers, Alex possesses the unique ability to decode the silent messages hidden within their petals.

The Geranium Murders

Tragedy strikes when a series of untimely deaths occurs, leaving behind the baffling presence of geraniums, a flower believed to symbolize both healing and poison. Determined to uncover the truth, Alex delves into the labyrinthine world of horticulture, where she encounters a cast of peculiar characters with their own hidden agendas.

A Twisted Game of Clues

With each petal that falls, Alex uncovers a layer of deception. Suspects emerge from the shadows, their motives shrouded in the language of flowers. From the enigmatic horticulturist to the secretive neighbor, each character holds a piece of the puzzle that could lead Alex to the killer.

The Language of Flowers

In Alex McKenna and the Geranium Deaths, the language of flowers plays a pivotal role. Each blossom, each arrangement, whispers secrets that only Alex can decipher. As she unravels the cryptic messages, she realizes that the killer is a master manipulator, using the beauty of nature to conceal their sinister intentions.

A Race Against Time

As the bodies pile up, Alex finds herself in a race against time. She must decipher the final clue before the killer strikes again. With every passing moment, the stakes grow higher, threatening to ensnare Alex in the deadly web of deceit.

A Journey of Discovery

Alex McKenna and the Geranium Deaths is more than just a murder mystery. It is a journey of discovery, where Alex unravels not only the identity of the killer but also the secrets that have haunted her own past. Through her encounters with the enigmatic flowers, she learns to embrace the healing power of nature and confront her own vulnerability.
